# 7TH GRADE MATH
# 2024-2025

## MISS. HENRY
CHENRY@ekcsk12.org
Room 408
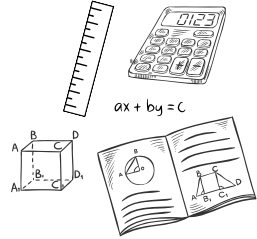

## COURSE DESCRIPTION

Math 7 will cover 10 Units including negative numbers, proportional relationships, percentages, linear equations, inequalities, statistics, probability, and geometry. All students will have a period of Math along with a Math Lab. There will also be a NYS required computer-based test in early May.

## GRADING

Homework will be graded daily at the start of class. All work must be shown and legible. Late homework will only be accepted if absence or proper excuse. Test and quizzes will be scheduled in advance on Google Classroom. Classwork will be graded on participation and being prepared for class.

### HOMEWORK 15%
### CLASSWORK 25%
### QUIZ 25%
### TEST 35%

## CLASSROOM EXPECTATIONS

Please follow the Edwards-Knox Code of Conduct. Notes are to be completed together in class. NO hats and cellphones allowed in the classroom. Be kind, respectful, and responsible. Attendance is also crucial for success. When assignments are missed, check the Google Classroom and watch provided eMath Video.

## COURSE MATERIALS

- Pencils
- Red Pen
- eMath Workbook
- Chromebook
- Folder

## CALCULATORS

Scientific Calculators will be provided in class. For outside of class assignments, please utlize online calculators on Chromebooks.
