ACCEPTANCE OF ALTERNATES

Dear Mr. Burke,

We have reviewed the bid proposals for the above referenced project. Based upon these reviews, we recommend that the Board of Education consider acceptance of alternates to the following company:

General Construction Contract: Acceptance of alternates to the lowest qualified bidder, Continental Construction, LLC, Gouverneur, New York in the following amount:

Alternate #1	\$7,438.00
Alternate #2	\$1,923.00
Alternate #3	\$1,129.00
Total	\$10,490.00

These alternates will be included in the contract that will be awarded contingent upon receipt of proper bonding and insurance certifications (including review and approval by District's legal and insurance counsel) and other required documents from the successful bidder.

Thank you for the opportunity to continue working with you on this and future projects, and we look forward to a successful completion.

Very truly yours,
