## **AIS/RTI Intervention Plan K-12**

2014-2016

### **Academic Intervention Services (AIS)**

Academic Intervention Services (AIS) means additional instruction which supplements the instruction provided in the general curriculum and assists students in meeting the NY State Learning Standards. Academic Intervention Services are intended to assist students who are at risk of not achieving the NY State Learning Standards in English language arts, mathematics, social studies and/or science, or who are at risk of not gaining the knowledge and skills needed to meet or exceed designated performance levels on state assessments. Academic Intervention Services shall be made available to English Language Learners and students with disabilities. In the case of AIS being provided to students with disabilities, services will be provided on the same basis as those provided to non-disabled students, as long as those services are consistent with the student's individualized education program.

Academic Intervention Services includes two components:

- Additional instruction that supplements the general curriculum
- Student support services needed to address barriers to improved academic performance

Academic services will be provided to students in English language arts and mathematics in grades K-12 and social studies and science in grades 4-12. Support services will be provided to address barriers to increased academic performance related to attendance, behavior, family difficulties, health issues, lack of study skills, and transition or mobility issues.

### **Response to Intervention**

Effective July 1, 2012, all school districts in NYS must have an RTI program in place as part of its evaluation process to determine if a student in grades K-4 is a student with a learning disability in the area of reading. The decision as to whether a student has a learning disability must be based on extensive and accurate information that leads to the determination that the student's learning difficulties are not the result of the instructional program or approach. RTI is an effective and instructionally relevant process to inform these decisions. NYS Regulations define RTI as a school district's process to determine if a student responds to scientific, research-based instruction, which minimally must include:

- Appropriate instruction delivered to all students in the general education class by qualified personnel.
- Screenings administered to all students for the purpose of identifying those students who are not making academic progress at expected rates.
- Instruction matched to student need with increasingly intensive levels of targeted intervention and instruction for students who do not make satisfactory progress in their levels of performance and/or in their rate of learning.
- Repeated assessments of student achievement which should include curriculum based measures.
- Written notification to the parents regarding the nature and scope of interventions.

## AIS/RTI Procedures

- At the end of the year the teachers recommend students for AIS based on a number of criteria because the student is at risk of failing to meet the State learning standards.
- At the end of the school year, the principals with the guidance counselor and AIS/Title teachers decide who will receive AIS by reviewing students’ results on the identified multiple measures and teacher, Grade Level Team and Strategic Review Teams’ recommendations. The AIS Eligibility Lists are reviewed at the beginning of the school year.
- Principals can assign students to AIS or discontinue service at any time it is needed as advised by the Grade Level Team or Strategic Review Team.
- The principals will oversee the implementation of the parent notification requirements.
- The RTI process is used in K-6 Reading to identify students that need to be referred to CSE. The process and responsibilities are outlined in the attachments.

## AIS Instructional Needs

**Eligibility for AIS:** Identification for AIS and intensity of service is based on multiple measures for each grade and subject area: Grades K-12 ELA and math, Grades 4-12 social studies and science. Students are identified for AIS at the Tier I – III level if they:

<b>Tier 1: Monitoring</b>	<b>Tier 2 – Moderate Risk</b>	<b>Tier 3 – High Risk</b>
<ul style="list-style-type: none"> <li>▪ Lack skills needed to maintain/monitor his/her own academic achievement (e.g., organizational skills, listening skills, test-taking skills, etc.)</li> <li>▪ Grades K-8: score a high Level 2 or low Level 3 on the NYS Assessments and/or do not meet one of the benchmark criteria</li> <li>▪ Grades 9-12: score below proficiency on the NYS Regents and/or do not meet one of the benchmark criteria</li> </ul>	<ul style="list-style-type: none"> <li>▪ Are inconsistent in demonstrating expectations of grade level. Consistently lack some specific skills that are required for satisfactory performance.</li> <li>▪ Grades K-8: score a low Level 2 on NYS Assessments and/or do not meet two of the benchmark criteria</li> <li>▪ Grade 9-12: score below proficiency on the NYS Regents and/or do not meet two of the benchmark criteria</li> </ul>	<ul style="list-style-type: none"> <li>▪ Are potentially at-risk of not achieving the New York State Learning Standards and/or meeting graduation requirements.</li> <li>▪ Grades K-8: score Level 1 on NYS Assessments and/or do not meet at least two of the benchmark criteria. The measure used, as well as degree of discrepancy is taken into account.</li> <li>▪ Grades 9-12: score below proficiency on the NYS Regents and/or do not meet at least two of the benchmark criteria. The measure used, as well as degree of discrepancy is taken into account</li> </ul>

**Exiting AIS: Based on multiple measures**

It is determined that a student is achieving the standards if they have:

- Achieved proficiency on the content area NYS assessment and/or
- Achieved the benchmark criteria on two or more of the multiple measures outlined above

## AIS/ RTI Criteria

Subject and Grade	Multiple Measures	Benchmark Criteria
All subjects K-12	Student Attendance	High rate of absenteeism may be related to academic difficulty
	Teacher Recommendation	Comments from teachers are considered in overall evaluation
ELA K-6	Classroom Average	Grades K-3: level 3 Grade 4: 70 Grades 5-6:65
	NYS ELA Assessment: Grades 3-6	Level 3 or 4
	DIBELS NEXT Grades K-4	Benchmarked three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
	Reading Level – Rigby Grades K-4	Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
	Fountus & Pinnell Grades K-6	Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
	STAR Reading Grades 2-6	Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
ELA 7-12	Class Average	65
	NYS ELA Assessment: Grades 7-8	Level 3 or 4
	STAR Reading Grades 7-8	Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
	English Language Arts Comprehensive Regents at Grade 11	65
Math K- 6	NYS Math Assessment: Grades 3-6	Scoring level 3 or 4
	Classroom Average	Grades K-3: level 3 grade 4: 70 Grades 5-6: 65
	STAR Math Grades 2-6:	Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
Math 7-12	Class Average	65
	NYS Math Assessment: Grades 7-8	Level 3 or 4

Subject and Grade	Multiple Measures	Benchmark Criteria
	STAR Math	Grades 7-8: Benchmarked a minimum three times a year. Progress monitoring conducted for students not achieving the benchmarks. See attachment for benchmarks per assessment and grade level.
	Integrated Algebra and Geometry Regents	65
Social Studies 4-12	Classroom Average	65
	NYS ELA Assessment Grades 4-8	Students who score at levels 1 or 2 on the assessment at Grade 4-8 will be identified to determine whether their performance on the assessment is attributed to difficulty in areas of Social Studies content or reading and writing.
	Global History and Geography Regents	65
	United States History and Government	65
Science 4-12	Classroom Average	65
	NYS Science Assessment at Grades 4 and 8	Level 3 or 4
	NYS Math and ELA Assessment	Students who scored at Level 1 or 2 on the assessment in Grades 4 - 8 will be identified to determine whether their performance on the Science assessment is attributed to difficulty in the areas of reading, writing or math
	Physical Settings in Earth Science and Living Environment Regents, Chemistry and Physics	65

## AIS/RTI Intervention Program Description

	<b>Tier 1 – Monitoring</b>	<b>Tier 2 – Moderate Risk</b>	<b>Tier 3 – High Risk</b>
<b>Intensity of service</b>	Core Instruction for all students	In addition to core instruction: Minimum 3 times a cycle for 30 minutes	Support provided in addition to Tier 1: Minimum 3 times a cycle for 30 minutes
<b>Grouping</b>	Differentiated small group instruction	Small group Grades K-2: 3-5 students Grades 3-12: 4-6 students	Individual or small group 1-3 students
<b>Staffing</b>	Classroom teacher supported by AIS teacher, teaching assistant and special education teacher as schedules allow	AIS teacher, classroom teacher and teaching assistant	AIS teacher, special education teacher
<b>Program/ Instructional Support</b>	<ul style="list-style-type: none"> <li>▪ Differentiated instructional strategies used in the regular classroom are: preferential seating, reduce number of items expected to be worked on by student (homework and classwork), read directions, simplify concepts, extend timeframes, use Effective Teaching Strategies</li> <li>▪ Classroom teachers will identify similar skill needs and use flexible grouping for instruction based on student need</li> </ul>	<ul style="list-style-type: none"> <li>▪ Tier I support</li> <li>▪ Small group with similar needs instruction and collaboration with classroom teachers</li> </ul>	<ul style="list-style-type: none"> <li>▪ Tier I support</li> <li>▪ Tier II support as schedule allows</li> <li>▪ Individual or small group instruction for high-needs students as schedule allows</li> <li>▪ Other support may include: special education support</li> </ul>

# **Student Support Services**

## **Strategic Review Team**

**Counseling Services-** as deemed appropriate for the needs of individual students

- School counselors
- School psychologist
- Group and Individual Counseling

## **Parent Volunteers**

## **Banana Splits**

## **Liberty Partnerships**

## **Migrant Tutors**

## **SLU Tutors**

## **McKinney-Vento Homeless Sub-grant – Title I Mentors**

# Parent Involvement Requirements

## Notification of AIS/RTI Services

- ◆ District notification letter to include:
  - dates when service will start
  - reasons why student needs AIS.
    - subject area(s) identified
    - results of multiple measures
    - summary of services to be provided
    - student support services to be provided
    - frequency and intensity of service
    - expectations of students in relation to grade level performance
    - consequences of not achieving expected performance levels
- ◆ Additional notification required for RTI reading grades K-6
  - strategies for increasing the student's rate of learning; and
  - the parents' right to request an evaluation for special education programs and/or services

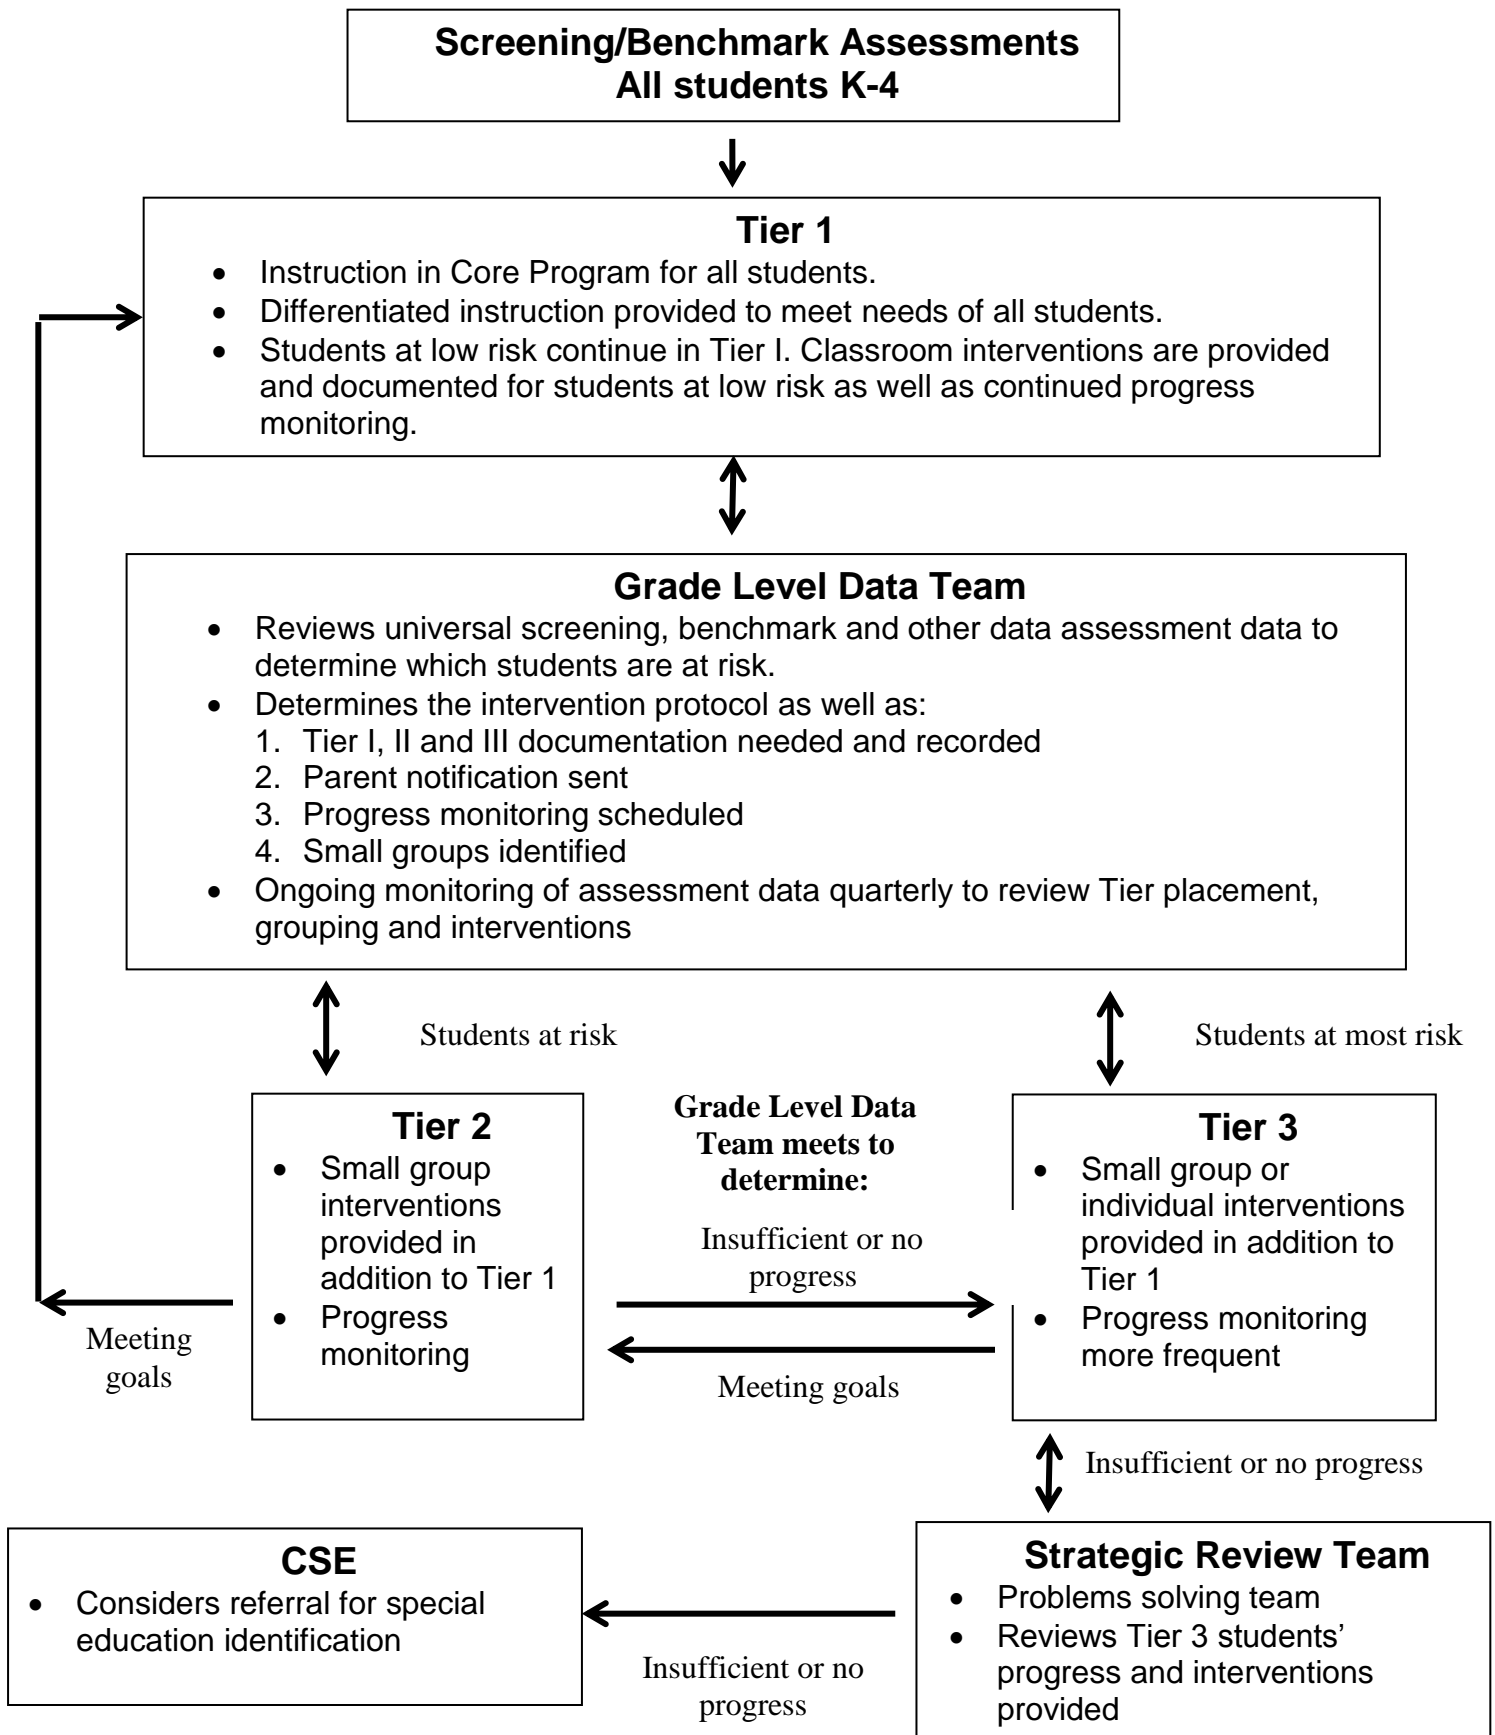

## Notification of End of AIS/RTI Services

- ◆ District notification letter to include:
  - when services are to be discontinued
  - overview of student's progress
    - performance level student has attained to qualify for ending AIS (results of multiple measures)
    - assessments used in determining students levels of performance

## Ongoing Communication

- ◆ Fall/Spring teacher conferences
- ◆ Quarterly reports
- ◆ Phone calls, emails
- ◆ District and Title I newsletters
- ◆ District website
- ◆ Parent conferences or other informal consultations each semester
- ◆ Suggestions for working with students at home

## RTI Process Flowchart

## RTI Problem Solving Process – Responsibilities

Classroom Teachers	Data Teams	Intervention Providers	Strategic Review Team	CSE Team
<ul style="list-style-type: none"> <li>• Core instruction</li> <li>• Benchmark and progress monitoring assessments</li> <li>• Tier 1 interventions (small group, differentiated, during the core block)</li> <li>• Documentation of Tier 1 interventions</li> </ul>	<ul style="list-style-type: none"> <li>• Grade level teams                             <ul style="list-style-type: none"> <li>○ Classroom teachers</li> <li>○ Intervention providers</li> <li>○ Others</li> </ul> </li> <li>• Analyze data to inform instruction                             <ul style="list-style-type: none"> <li>○ Core assessments</li> <li>○ Diagnostic assessments</li> <li>○ Benchmark assessments</li> </ul> </li> <li>• Determine Tier 1 and Tier 2 groupings, discuss need for Tier 3 intervention</li> <li>• Provides documentation of decisions made re: instructional changes</li> </ul>	<ul style="list-style-type: none"> <li>• Tier 2 interventions in addition to core instruction</li> <li>• Progress monitoring and diagnostic assessments</li> <li>• Documentation of Tier 2 interventions</li> </ul> <p style="text-align: center;">AND</p> <ul style="list-style-type: none"> <li>• Tier 3 interventions in addition to Tier 1</li> <li>• Progress monitoring and diagnostic assessments</li> <li>• Documentation of Tier 3 interventions</li> </ul>	<ul style="list-style-type: none"> <li>• Multi-disciplinary team                             <ul style="list-style-type: none"> <li>○ Classroom teachers</li> <li>○ Special education teacher</li> <li>○ Psychologist</li> <li>○ Principal</li> <li>○ Intervention providers</li> <li>○ Others</li> </ul> </li> <li>• Students reviewed when no significant progress has been made at Tier 2 and/or Tier 3</li> <li>• Reviews documentation of Tier 1, 2 and 3 interventions</li> <li>• Uses problem solving model to recommend further instructional changes or interventions to be tried, along with ways to document the effectiveness of the changes</li> <li>• Makes referral to CSE when necessary</li> </ul>	<ul style="list-style-type: none"> <li>• Multi-disciplinary team</li> <li>• Analyzes data</li> <li>• Reviews documentation of Tier 1, 2,3 interventions</li> <li>• Decides what additional CSE services to provide to enable the child to be successful</li> </ul>

# DIBELS Benchmarks

DIBELS Composite Score: A combination of multiple DIBELS scores, which provides the best overall estimate of the student's reading proficiency. For information on how to calculate the composite score, see the *DIBELS Next Benchmark Goals and Composite Score* document available from <http://dibels.org/>.

**BENCHMARK GOAL** (large number in top of each box): Students scoring at or above the benchmark goal have the odds in their favor (approximately 80%–90%) of achieving later important reading outcomes. These scores are identified as *At or Above Benchmark* and the students are likely to need *Core Support*.

**CUT POINT FOR RISK** (small number in each box): Students scoring below the cut point for risk are unlikely (approximately 10%–20%) to achieve subsequent goals without receiving additional, targeted instructional support. These scores are identified as *Well Below Benchmark* and the students are likely to need *Intensive Support*.

Scores below the benchmark goal and at or above the cut point for risk are identified as *Below Benchmark*. In this range, a student's future performance is harder to predict, and these students are likely to need *Strategic Support*.

This is a summary of the DIBELS Next benchmark goals. For a full description, see the *DIBELS Next Benchmark Goals and Composite Score* document available from <http://dibels.org/>.

	Below Y	Below Y	Below Y	Below Y

### KEY

- Exceeds Expectations
- Meets Expectations
- Approaches Expectations: Needs Short-Term Intervention
- Does Not Meet Expectations: Needs Intensive Intervention

The Instructional Level Expectations for Reading chart is intended to provide general guidelines for grade-level goals, which should be adjusted based on school/district requirements and professional teacher judgement.

To interpret screening results, schools often use benchmarks and cut scores. These scores help educators identify which students require some form of intervention to accelerate growth and move toward proficiency, and which students are already high performing.

Please note: the table below includes benchmarks for a specific point in time. For the most precise benchmarks based on the exact day(s) your students were tested, rely on the STAR™ reports.

**Benchmarks** are the minimum performance levels students are expected to reach by certain points of the year in order to meet end-of-year performance goals. The end-of-year benchmark typically represents the minimum level of performance required by state or local standards. Benchmarks are always grade specific, e.g., the 3rd grade benchmark.

A **cut score** is used to determine which students may need additional assistance to move toward the end-of-year benchmark.

**Moderate growth rate** is the amount a typical student is expected to grow per week. Based on national data, 50 percent of the students who started at this level were able to achieve this growth rate. Student Growth Percentile (SGP), now found on the Growth Report, can also help an educator determine if a student is growing adequately between screening windows.

Grade	Percentile	Fall September		Winter January		Spring May		Moderate Growth Rate
		Scaled Score	Est. ORF <sup>a</sup>	Scaled Score	Est. ORF <sup>a</sup>	Scaled Score	Est. ORF <sup>a</sup>	Scaled Score/ Week
