**“To accomplish great things, we must not only act, but also dream,
not only plan, but also believe.” —Anatole France**

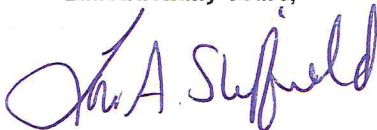

Dear Friend of Southwest Career and Technical Education Center:

Please join us as we celebrate the learning, growth and achievements of Southwest Tech's Class of 2019! The young adults that comprise the SWT Class of 2019 are filled with anticipation for what lies ahead and pride in how far they have come. At 9:00 AM on June 17, 2019, we will gather in the Gouverneur High School Auditorium to honor achievement, scholarship and the integrity of the hard work done during their studies.

As Ralph Waldo Emerson stated, “What lies behind us and what lies before us are small matters compared to what lies within us.” What lies within the students we honor? Empathy, grit, the willingness to take safe risks to better themselves, and, above all, hearts and minds that will define our workforce and communities for years to come.

Thank you for your continued support of the Southwest Career and Technical Education Center. I hope you can join us as we transition our learners toward their next steps at the 2018-2019 Student Recognition Ceremony.

Educationally Yours,

Lori A. Sheffield, Principal

Southwest Career and Technical Education Center
