April 2019

Dear Friend of Southwest Technical Center:

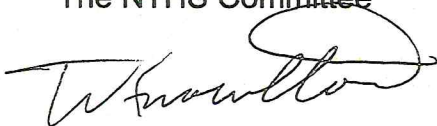

The faculty at Southwest Technical Center would like to announce the 2019 Induction Ceremony to the Joseph D. Laurenza chapter of the National Technical Honor Society.

Inductees exhibit the qualities of knowledge, skill, honesty, responsibility, service, leadership, citizenship and scholastic achievement and must be recommended by the faculty, among other criteria. For our 21st induction class, we are proud to be recognizing 16 students representing all four of our component districts.

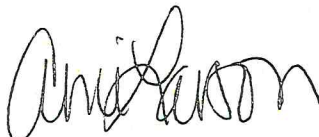

You are cordially invited to the ceremony on Wednesday May 22, 2019, at 6:30 p.m. at the Clifton-Fine Central School Auditorium.

Sincerely,

The NTHS Committee

Timothy Knowlton

Ami Larson

Stanley Young, Jr.
