# Attendance

Due to the length of summer school and the concentration of planned instruction, it is difficult to catch up on work due to absences and/or non-participation.

Therefore, attendance is critical for student success.

**A student may only miss 2.5 classes.** Any additional absences beyond the 2.5 days will result in the student being exited from the course. Each classroom teacher will maintain an attendance log in addition to a daily participation log.

# Grading

## Credit Recovery:

20% - 23/24 School Year Average

40% - Summer School Average

20% - Participation

20% - Final Exam

## New Course:

60% - Summer School Average

20% - Participation

20% - Final Exam
